## DISCUSSION

The City of Lincoln proposes to reconstruct 19<sup>th</sup> Street between K and P streets as well as reconstruct O Street between 17<sup>th</sup> and 21<sup>st</sup> streets as part of the Antelope Valley program. This project is scheduled to begin construction in Spring 2011 and be substantially complete by the end of 2012.

The City of Lincoln and the State of Nebraska entered into an agreement for Federal Funds in August 2004. It is now necessary to amend this agreement to authorize NDOR to let the contract for bidding and make payments directly to the Contractor and Consultant for construction phase services as well as add language for duties and assurances of a Responsible charge (RC) person.
